Catalyst Interiors

Best for Mobility, Access, Vehicles and Transport

WINNER

Assistive Group t/a Independent Mobility

A commitment to exceptional customer service, expanding showrooms network, attention to detail, kindness, and brilliant aftercare service has helped the company become a trusted supplier of independent mobility solutions and deserving of recognition.

Best for Assistive Technology

WINNER

Person Centred Software

As a provider of the UK's most widely used Digital Care System, PCS supplies the care sector with solutions – from care planning software to a range of services around wellbeing activities for residents and staff and more – that improve residents' care outcomes and allow care providers more time to care.

FINALISTS

GHM Care
Ontex
Social-Ability

Best for Broadband, Internet and IT Business Services

WINNER

GHM Care

GHM has become a full-service IT, Telecoms and Technology provider for care homes and as they move towards digitalisation, technologies and telecoms need to integrate and complement each other wherever possible, creating the best efficiencies and delivering the best level of care to residents.

Best for Catering and Nutrition

WINNER

apetito

The apetito Finger Food Bites range is a key component in a broader offering that defines the future of dementia-friendly dining. These bite sized 'meals in one' underwent many years in development to ensure the correct balance of nutrition, taste and ease of preparation.

FINALIST

Creed

Best for Therapies

WINNER

CareHomeLife

CareHomeLife helps those working in care provide the very best care to their residents, as the health and wellbeing of those working in care is paramount. CareHomeLifestyle is a significant investment for the company. Experienced health and wellbeing consultants help produce specialist content – informing care teams and benefiting residents.

Best for Facilities Management and Maintenance

WINNER

FaultFixers

FaultFixers has grown over 400% in the last 12 months, going from new entrant to the care sector to now supporting over 700 care homes and healthcare providers with its innovative maintenance software and FaultFixers is now the only care sector maintenance software enabling

customers to operate wholly digital maintenance processes.

FINALIST

Nant

Best for Infection Prevention and Cleaning Services

WINNER

Haigh Engineering

Haigh's tried and tested models now have a Docking Station option. This evolutionary step simplifies both installation and future maintenance, reduces costs, and improves the end results, as well as vastly reducing storage requirements and long lead times.

FINALIST

CareHomeLife

Best for Kitchen and Laundry Equipment and Services

WINNER

Miele Professional

Miele Professional has been providing professional laundry and dishwashing solutions for a wide range of sectors for over 100 years and strives to make the lives of carers and elderly residents better. Whether it's stringent hygiene, sustainability, cost savings, reducing downtime, or improving efficiencies, Miele is

working closely with care homes across the UK to empower the carer of today and tomorrow thanks to its "immer besser" (always better) approach.

Best for Management and Consumer Software and Apps

WINNER

Unique IQ

Unique IQ is a trailblazing force in the home care industry, empowering organisations to deliver exceptional care through cutting edge care management software. The company's mission goes beyond mere technology – it's about prioritising the care experience. With innovative software, processes are streamlined, freeing up caregivers' time for hands-on care provision.

FINALISTS

CarePlanner

GHM Care

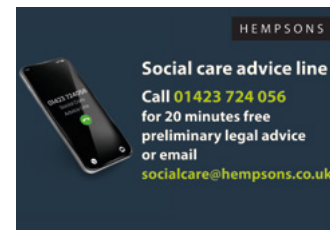

Sidqam

Best for Legal and Professional and Business Services

WINNER

Hempsons

Providing advice on the full spectrum of legal issues faced by care providers, Hempsons' experts not only have the legal expertise required, but in-depth knowledge. In recognition of their sector support they were awarded a Certificate of Achievement for 'Outstanding Contribution by a Commercial Sponsor to the ICG' in 2022.

Best for Marketing, Creative and Information Services

WINNER

PLMR Group

At the start of 2022, PLMR strengthened their specialist communications offer for the care sector, with a standalone dedicated team of expert health and social care consultants. In that time, PLMR has delivered on every point in their strategy, and seen 48% annual revenue growth, as well as having delivered truly outstanding work for a diverse range of clients, with positive impacts for the sector.

FINALIST

PicPR
